A mixture of private lessons, group practice and training sessions, and on-course instruction along with practice and play privileges at Bay Meadows Family Golf Course are all essential in helping juniors accomplish their goals over time.

The first step is to set up a game evaluation session with Coach Scott and he will help create a program that works for you! Acceptance into this program is limited so set up an appointment with Coach Scott to see if TCJEM is a good fit for you! Evaluation sessions are one hour, cost \$75.
