

Supervised Practice Plan

Learn, Practice, and Play!

Learn from PGA Professional Scott Wilson on and off the course and have access to V1 video analysis, new TRACKMAN system, along with play and practice privileges in-season for the entire day of your scheduled weekly training session with Coach Scott. This along with access to Learning Center fitness aids, Callaway club and putter fitting systems and nutrition and focus training will help you improve and have fun all year long! Program limited to 20 students per month, available December through September.

**One session per week:
\$150 per month, TCJGA Member \$135**

**Two sessions per week:
\$200 per month, TCJGA Member \$185**

Plan Includes:

- Weekly 90-minute practice sessions with Coach Scott
- Maximum 6:1 Student to coach ratio
- Sessions conducted inside the Learning Center, at the range and on-course
- Schedule Availability varies by season at a set time & day each month
- Bay Meadows Play and practice privileges for the entire day of scheduled practice session in season.

Scheduling Availability by season - Monthly group appointments set up by Coach Scott only:
