

Spring Learning Leagues

Learn, Practice, and Play!

Bay Meadows TCJGA Learning League is designed to incorporate a group lesson combined with on-course play. Each week kids will have a team lesson led by Coach Scott Wilson and other Bay Meadows instructors that will cover specific swing and short game principals, along with a team scramble format on the course. Create your own league team of 4-8 players or sign up and we will match you on a team and league.
